

PMG Anthology of Selected Condensed Matter Physics

Publications (Peer Reviewed) and Presentations

(Time Reversed Order...All can be found by drilling around on www.w2agz.com)

(Or...go directly to www.w2agz.com/Publications.htm and/or

<http://www.w2agz.com/Presentations.htm>)

(where each article is accompanied by a brief explanatory abstract and journal citation)

NB! Many of the following ppt links contain wmv files which are NOT imbedded

NB2! Should you try to download any of the ppt files, some are of multi-megabyte size

<u>Publications</u>
(2008)
Electronic Properties of Rocksalt Copper Monoxide: A Proxy Structure for High Temperature Superconductivity (pdf)
(1991)
Effects of Synthetic Conditions and Reduction Processing on the Physical Properties of Ceramic Nd ₂ -xCeCuO _{4-y} (pdf)
(1990)
Preparation and Properties of Fluorine doped Nd ₂ CuO _{4-y} Superconductors (pdf)
Role of Oxygen in PrBa ₂ Cu ₃ O _{7-y} : Effect on Structural and Physical Properties (pdf)
(1989)
Praseodymium 1-2-3 - Intrinsic Structure, Oxygen Concentration Effects, and Solid Solutions With Yttrium, Calcium and Zinc (pdf)
Recent Studies on PrBa ₂ Cu ₃ O _{7-y} - Effect of Oxygen Concentration (pdf)
(1998)
(1997)

<u>Presentations</u>
(2007)
(2006)
(2004)
(To be continued...)
