GORDON MCKAY PROFESSOR OF APPLIED PHYSICS

December 18, 1970

Dr. Paul M. Grant
IBM Research Division
Monterrey and Cottle Roads
San Jose, California 95114

Dear Paul,

Sadly I have to tell you that Jim Inglis died last Monday afternoon. Services were held for him on Wednesday evening and Thursday afternoon, and they seemed to me to be very appropriate and loving. We didn't send flowers, since the family had requested donations to the Heart Fund in his memory. In case you feel you want to write a note or card to Mrs. Inglis, her address is 42 Cliffe Avenue, Lexington. I know from Jim's brother that his family was pleased that all of us here attended his funeral. I shall see Mrs. Inglis, I hope, next week. I intend to assure her that he was regarded with very warm affection by all of the people he worked with at Harvard.

My regards,

Bill

William Paul
